

2008 GRANTS AND DISTRIBUTIONS

Following are grants totaling over 2.1 million dollars awarded through the Community Foundation in our fiscal year of January 1, 2008 through December 31, 2008. The list is a combination of (1) grants awarded through our two discretionary grant cycles and (2) distributions from both designated and agency endowment funds. These grants and distributions reflect the philanthropic spirit and vision of our many donors. The grants and distributions made, and the lives touched by them, serve as a reminder that the Pinellas Community Foundation is *Building a Better Future for Pinellas County*.
